INSTRUCTIONS FOR COMPLETING SCHEDULE 2B-1

ITEM 3: NAME AND ADDRESS OF PERSON PAID: Enter the name and address of each individual or business to which the committee made an independent expenditure in any amount during the period covered by the Campaign Statement that was made to support or oppose a candidate or ballot question.

ITEM 4: PURPOSE: Describe the purpose of the expenditure. Check the appropriate box to indicate if the expenditure is to support or oppose the candidate or proposal.

If a third party made expenditures on behalf of the committee such as for media buys or reimbursements, report the additional detail information for this expenditure as a Memo Itemization. Report the gross expenditure made by the committee with the notation **"Memo Itemization Below"** written above the name of the person, business or vendor to whom the payment was made by the committee, the date of the payment, and the total amount paid. In the space for the next expenditure record immediately following this entry, enter the notation **"Memo Itemization"** and indicate the ballot proposal involved. Check the applicable boxes for in-kind or independent, support or oppose and enter the date of the expenditure. Report the allocated amount for the proposal in parenthesis as a reminder that it is not to be added into the total again. Enter the cumulative expenditure amount for that proposal (for the election) through the date of the expenditure being itemized. Repeat until the itemization is completed for each proposal related to the expenditure being itemized

ITEM 5: CANDIDATE NAME: If the independent expenditure was made to support or oppose a candidate, enter the candidate's name, the office sought by the candidate, the district # or jurisdiction served by the office and the candidate's county of residence. **BALLOT ISSUE:** If the independent expenditure was made to support or oppose a ballot proposal, identify the proposal and indicate whether it is a statewide, multi-county or single-county issue. If listing a single county issue, list the county involved. If listing a multi-county issue, list the county where the greatest number of electors eligible to vote on the issue reside. Check the box if the expenditure was made to repay a debt or obligation owed by the committee that was reported on a previous campaign statement.

ITEM 6: DATE OF EXPENDITURE: Enter the date the expenditure was made.

ITEM 7: AMOUNT OF EXPENDITURE: Indicate the amount spent for each candidate or issue supported or opposed.

ITEM 8: CUMULATIVE FOR ELECTION CYCLE: If the expenditure was made to support or oppose a candidate, enter the cumulative amount the committee has expended to support or oppose the candidate during the candidate's **"election cycle"** as independent expenditures only. Do not include any in-kind or direct expenditures; they are cumulated separately from independent expenditures on the Schedules for direct and in-kind expenditures as they count against contribution limits to each candidate. An independent expenditure does not count against the contribution limit of the candidate. A candidate's current election cycle began on the day following the date of the general election in which the office sought by the candidate last appeared on the ballot and ends on the day of the next general election in which the office sought by the candidate will appear on the ballot. If the expenditure was made to support or oppose a ballot proposal, enter the cumulative amount of all expenditures the committee has made to support or oppose the proposal to date. For ballot proposals, all types of expenditures are cumulated together, including direct, in-kind and independent for the election in which the proposal appears on the ballot.
